📍 1st Stage, BTM Layout, Bengaluru

I am eager to begin my career as an entry-level software engineer at a well-known, technology-driven company. I have a strong background in software development, with an aptitude for intuitive problem-solving. My skill set includes JAVA, JDBC, Servlet, Spring Boot, and Hibernate, and I am passionate about implementing and launching new projects.

🎓 EDUCATION

2020   Bachelor of Technology in Computer Science and Engineering, from Lok Nayak Jai Prakash Institute of Technology Chapra. Affiliated from Aryabhatta Knowledge University, Patna.

2017   Diploma in Civil Engineering from Government Polytechnic Barauni. Affiliated from SBTE, Bihar.

2013   Matriculation from Gramin High School, Beshwak Ishlampur. Affiliated from BSEB Board, Patna.

💼 PROJECT

Oct 22 - Jan 23   **> Online Quiz Management System**

- It's a Java-based project a kind of online platform for conducting mock tests and competitions.
- The UI is built in such a way that it displays the login button where the user has to sign in and give the exam and after the exam, he can submit it.
- The admin module gives you access to the user's profile.

`Java` `J2EE` `MySQL` `JDBC`
